

LEAD DIALOGUE ON CARING FOR GOD'S CREATION

Muslim-Christian Initiative
ON THE NUCLEAR WEAPONS DANGER

Do no evil nor mischief on the (face of the) earth. (Qur'an 2:60)
The earth is the Lord's and all that is in it. (Psalm 24:1)

Photo compliments of Avenging Angels

The Muslim-Christian Initiative on the Nuclear Weapons Danger (MCI) was developed by the Islamic Society of North America and the Churches' Center for Theology and Public Policy to enable Muslims and Christians in this nation to toward our shared security through threat reduction and disarmament. Currently MCI is working to train facilitators to lead dialogues and study sessions on the issue across the nation. This unique program provides the opportunity for Muslims and Christians to dialogue and to work together on one the gravest dangers to face God's creation.
